The Minister,
Public Health and Local Self Government, BANGALORE.

Date: 16-4-45

Sir,

We beg leave to submit that we are rendering Medical Aid to the public of Mysore and surrounding places for many years past. We have been being kindly paid Grants by the Mysore District Board and by the City Municipal Council, Mysore, for many years past.

The District Board, Mysore have often stopped the Grant to Pandits and Hakims. On our representation our Benign Government have ordered kindly in Order No.L.7627-9/L.B. - 27-43-15, dated, Bangalore, the 26th January 1944 that the "Proposal of the District Board is sanctioned. The grants may be continued to them with effect from 1st July 1943". The proposal of the District Board referred to above is " Resolved to continue payment of the grants at the rates noted against each to these Pandits and Hakims till the question of the revision of their pay and status is settled by the Mysore City Municipal Council".

The Grant question is therefore again to be taken up when the Mysore City Munidipal Council decides the above question.

In this connection we beg leave to bring to your kind notice a previous Government Order which has settled this question definitely. We submit a copy of the Order for ready reference. Our Benign Government have kindly ordered

therein that the Grant may be continued during our life time. Six Pandits and Hakims were shown kindly this concession in the above order. Unfortunately three of them have passed away during this interval.

We pray that the boon so kindly conferred on us by our Benign Government for humble services rendered by us may kindly be continued by once more definitely ordering the City Municipal Council, Mysore, and the District Board, Mysore to please continue the Grants during our life time for the remaining three of us.

Thanking you and with our best regards,

We beg to remain,
Sir,
Yours most respectfully,

P. H. Chandrasekhariah

Letter No.71/L.B.31-30-76 dated 4th July 1931 from the General Secretary to the Government of Mysore, to the President, District Board, MYSORE

With reference to correspondence ending with your letter No. C.1375 L.B./30-31 dated 22nd June 1931, re the discontinuance of the grants-in-aid paid by the Board to certain Hakims and Vaidyas in Mysore City, I am directed to observe that these institutions are largely resorted to by people from the moffussil and they serve real need of people from outside the City and that it would be extremely unfair to them if their grants were to be stopped so suddenly. In these circumstances Government consider that the grants which these gentlemen have been getting for such a long time may be continued to them during their life time and that vacancies need not be filled up as they occur.

I am to request that these views may be communicated to the Board.
